## **Your Community Association**

Your Community Association is a non-profit organization made up of volunteers who live right here – they know the area, issues, concerns and people. They have come forward to plan, co-ordinate and administer the recreational, social and educational programs and activities for your community. Your Community Association works in co-operation with the schools and the City of Saskatoon Leisure Services Department. Our activities are highlighted in our newsletters that are published four times a year and delivered to every residence in Sutherland and Forest Grove.

Your Community Association is an excellent place to bring your comments and concerns. When you are facing issues like these your Community Association can assist you in finding the right people and resources.

## Safety Initiatives

You are the ones who pass through our neighborhoods on a daily basis, so you know when there is a problem.

If there is something going on in your area that has you concerned it is important to contact our Community Liaison Officer with the Saskatoon City Police (975-8300). Please, only call 9-1-1 if there is a crime in progress.

**Citizens on Patrol** is a community partnership between the citizens and the police. People get together to walk around the neighborhood and parks. These volunteers can be the eyes and ears of the police. They just get together and enjoy the exercise.

If there are problems they take no action except to report the incident to the police.

Many people have expressed interest in this program but more volunteers are always needed. Please contact your Community Association if you would like to become involved.

## Outdoor Rinks

Your Community Association would like to invite you to come out and enjoy some fresh air and exercise.

The rinks are owned and maintained by your Community Association. Volunteer assistance is always needed and appreciated. Whether it is time to do summer maintenance, clean up after a snowfall or flood the rink – just contact the rink coordinator and offer your help.
